Re: Salary Increases

Effective October 1, 2006, eligible employees appointed to Skilled Crafts titles will receive salary increases, under the provisions of the UC/AFSCME collective bargaining agreement (Wage Article 33).

The collective bargaining agreement calls for a 3% increase to the ranges and additional increases necessary to provide the salaries listed in Wage Article 33.

Eligible employees are those in the bargaining unit who are on the payroll as of October 1, 2006 and who remain on the payroll until the payment is included in the individual's paychecks.

Staff Human Resources and the Payroll Office are working together to have the increases reflected on the November 1, 2006 paycheck.
