

## Initiating and processing your retirement online: Steps for members

In accordance with the stay-at-home orders in effect throughout California, RASC representatives have transitioned to limited remote operations. While the transition is going smoothly, we have altered our operations to best serve our members given the circumstances. During this time, however, we will be unable to answer calls as usual, and our ability to process physical mail will be severely limited.

In light of these changes, UCRP members can initiate and process their retirements electronically through UC Retirement At Your Service (UCRAYS, at [retirementatyour.service.ucop.edu](http://retirementatyour.service.ucop.edu)) by following the steps below. To learn more about how to register, log in and use UCRAYS, visit [ucal.us/ucraysfaq](http://ucal.us/ucraysfaq).

**Please note: If you plan to retire on July 1, it's recommended that you start this process as early in April as possible.**

### STEP 1:

Download the [Request for Retirement Initiation Packet](#), available in the resources section of the [Preparing for Retirement roadmap on UCnet](#).

### STEP 2:

Complete the request form online, save it as a PDF or Word document, and submit it either:

- Electronically, as a secure message attachment through your UCRAYS account or
- By fax to 1-800-792-5178

### STEP 3:

You will receive an acknowledgment email within 5 business days from the date the RASC received the form.

### STEP 4:

Within 10 business days from the acknowledgement email, you will receive your Personal Retirement Profile (PRP), including the Election Worksheet and other information (such as how to enroll in Medicare).

### STEP 5:

When you have completed the election worksheet with your choices, you will have a new option -- to select **Upload Documentation** to submit your election worksheet in UCRAYS. Select this option from the menu (as shown below) and follow the step-by-step instructions. As an alternative, you can fax the worksheet to the RASC, but this may delay the processing of your retirement.

The screenshot shows the UCRAYS member dashboard. The top navigation bar includes 'HOME', 'MESSAGES', and 'LOG OUT'. The left sidebar contains a navigation menu with 'Upload Documentation' highlighted by a red arrow. The main content area features the University of California logo and the text 'Retirement At Your Service'. Below this, the user's UCRP Service Credit is displayed as 22.6885 years as of 05/31/2006. Three primary action buttons are visible: 'Membership Details', 'Retirement', and 'Beneficiary Designations'. At the bottom, there are three smaller sections for managing contacts, UCRP balances, and Capital Accumulation balances.

## STEP 6:

Within 7-10 business days after the RASC receives your completed election worksheet, you'll receive your Election Form from the RASC by U.S. mail or as a UCRAYS secure message (if necessary). Sign this form (**include your spouse's signature if applicable**), then scan and upload all pages of your signed form and all required documents through the UCRAYS secure upload feature (as shown below). RASC does not need original documents to complete processing.

The screenshot shows the UCRAYS user interface for uploading documentation. On the left is a navigation sidebar with options like 'Messages', 'My Account', 'Manage Contacts', 'Upcoming Seminars', 'Upload Documentation', 'Contact Us', and 'Quick Links'. The main area is titled 'Upload Required Documentation'. It prompts the user to select a process, which is currently 'UCRP Retirement Election'. It lists the required documents: Birth Evidence, Marriage Evidence, and Monthly Retirement Income Election. Below this, there is a section for 'Document Type' with a dropdown menu and an 'Upload' button. A red arrow points to the 'Upload' button.

## STEP 7:

RASC will review your signed election form and supporting documentation and will reach out to you via UCRAYS secure message within 7-10 business days to confirm that your documentation is complete, or to request additional documentation if needed.

**Please note: To receive your first monthly retirement benefit payment by Aug. 1, all documents must be received by May 15, 2020.**

## STEP 8:

Once you have successfully submitted all required documentation, RASC will finalize the calculation of your benefit and prepare your retirement confirmation letter. This process typically takes from 45-60 days from the date RASC receives all required documentation. Beginning in April, you can track the status of your retirement processing in your UCRAYS account.

**Please note: As long as you receive your retirement confirmation letter by July 15, 2020, you will receive your first monthly retirement benefit payment by Aug. 1.**

## STEP 9:

Enjoy your well-deserved retirement!
