

Our Ambassador Program

Our Ambassador Program is designed to help our members and providers understand our Alliance Referral Program. A team of specially trained patient advocates are available to answer questions or offer guidance to new and incoming Canopy Health members.

When to Contact Your Ambassador

1. New to Canopy Health?

We're here to ease changes in your care needs. We can help guide you in your health plan's process for choosing a doctor. We can help you move your medical records and prescriptions so there are no gaps in your care.

2. Want to see a specialist?

You and your doctor decide which of Canopy Health's 5000 doctors is right for you. Our Ambassadors are here to help members and providers take advantage of the entire Canopy Health network through the Alliance Referral Program.

3. How to contact your Ambassador?

Contact us via secure email or by phone Monday-Friday 8:30am-5:00pm.
