

## **UPTE agrees to resume negotiations in June — it's time for a deal!**

After months of no meaningful bargaining and multiple strikes, UPTE agreed to return to the bargaining table with UC next month:

- June 6: Bargaining for Healthcare Professionals (HX unit)
- June 17-18: Bargaining for Research and Technical Employees (RX-TX units)

We believe you have waited long enough for a contract, and that **it is time for a deal, and for you to get to vote on UC's offers.**

As we have demonstrated throughout negotiations with UPTE, we believe you deserve the following:

- **GUARANTEED YEARLY PAY INCREASES** that fairly recognize your contributions and are consistent with what other employees are receiving.
- **EXCELLENT HEALTH & RETIREMENT BENEFITS** for you and your family at similar rates as other UC employees. UC's benefits are among the most generous in the market.
- The **JOB PROTECTIONS** that a multi-year contract provides

**It's time you had a contract,  
and got *TO VOTE* on UC's offers!**
